The legendary

BCR SS SQUARE SHAPE CLOSED TILE TRIM

SIZES : 8X8 MM, 10X10 MM, 10X12 MM, 12X12 MM

FINISHES : SATIN FINISH

USES : WALL, FLOOR DIVIDING AND BORDERS.

DETAIL : Installation of the SS Square shape SS closed tiletrim is simple, first to be temporarily fixed with spot bonding using mortar on the wall or floor required. Tile to be kept on the tiletrim and checked if the finishing face of the tile is flushed with the top surface of Square shape SS closed tiletrim. In case of dividing lines for wall and floor care has to be taken to align a straight line, with the ceramic tiles, with least groove gap. Hence the the trim is permanently set covering the base with mortar.
BCR Tiletrims enhance the aesthetic look of the tiling work.
